Job Title: Financial Analyst

About the role
Northwind Traders is looking for a Financial Analyst to support budgeting and forecasting across our retail business. You will prepare monthly reports for senior managers and help them understand costs and margins.

Requirements:
- 3+ years of experience in financial analysis
- Strong Excel and financial modeling skills
- Budgeting and forecasting experience
- Attention to detail and clear communication
- Bachelor’s degree in finance, accounting or commerce

Nice to have:
- Power BI or Tableau
- SQL
- Auditing or taxation knowledge
