Meera Iyer - Machine Learning Engineer
Email: meera@example.com

SUMMARY
ML engineer focused on deep learning, NLP and computer vision in production.

SKILLS
Python, PyTorch, TensorFlow, Keras, scikit-learn, Pandas, NumPy
Natural Language Processing, Computer Vision, Deep Learning, Statistics
Docker, Kubernetes, AWS, Linux, Git, CI/CD

EXPERIENCE
Machine Learning Engineer, VisionAI Labs (2021 - present)
- Trained PyTorch image classifiers and deployed them with Docker on AWS.
- Built an NLP pipeline for support-ticket classification.

EDUCATION
M.Tech. Artificial Intelligence, 2021
